

Portage Communiten Read Sponsor Opportunities

The Portage Communiten Read is a common read program developed jointly by the Portage Public Schools, Portage District Library and Bookbug bookstore. Our mission is to connect teens, family, and community through a shared love of reading. As part of this event we distribute 400 books to teens in our community, build on cross-curricular and community-based opportunities, bring the nationally recognized author to our schools during the day, and offer a free event to the community in the evening.

Your support is very much needed and appreciated.

Top Shelf

> \$3000 donation Sponsors can expect verbal recognition at each (of 3) author event, business logo included in all print materials, electronic communications/promotions or recognition will link directly to sponsor's website and/or social media feed in acknowledgement of support, reserved seating for up to 3 guests at the evening event, and a signed copy of the Communiten Read selection.
